

DEVELOPMENTAL BIOLOGIST AT MIDDLEBURY COLLEGE. The Department of Biology at Middlebury College invites applications for a part-time appointment at the rank of Visiting Assistant Professor (Ph.D) in developmental biology for the fall of 2009.

Applicants should have a demonstrated commitment to excellence in teaching. Teaching responsibility will entail instruction of the upper level course Developmental Biology. Applications including a curriculum vita, statement of teaching interests, and two current letters of recommendation (both of which should speak to teaching ability), should be sent to Dr. Jeremy Ward, Developmental Biology Search Committee, Department of Biology, Middlebury College, Middlebury, VT 05753. See <http://www.middlebury.edu/depts/bio> for departmental information.

The review of completed applications will begin on January 1, 2009. Middlebury College is an Equal Opportunity Employer committed to recruiting a diverse faculty to complement its increasingly diverse student body.
